NOTICE TO CONTRACTORS.

Sealed proposals will be received at the office of the clerk of the Board of Education of the City of Springfield, Ohio, for furnishing all the material and constructing a school house on the west side of Pearl street, between Southernavenue and Rice street, in said city, according to the plans, profiles and specifications on file in the office of Chas. A. Cregar, architect. All bids must be for furnishing all material and completing said work according to said plans, profiles and specifications; must state the price of labor and material separately, and must be signed by the full name of every person interested in said bid, and also be signed by the full name of every person interested in said bid, and also be signed by the full name of some disinterested, responsible person as a guarantee that a contract will be entered into provided the bid is accepted; and all bids must be on file with the clerk of the Board of Education on or before twelve of clock moon of Friday, the 5th day of March, 1885, to be opened and read at the next meeting of the Board thereafter. The Board reserve the right to reject any or all bids presented for any reason they may deem sufficient. The Board recommend that all bids be made on blank forms which will be furnished to persons desiring to bid, by the clerk of said Board.

By order of the Board of Education.
